Baher Adawy

Computer and Communications Engineering Student at Alexandria University
Alexandria, Egypt

Summary

I'm a Computer and Communications Engineering student at Alexandria University with a passion for software engineering and problem solving. I love exploring new technologies, learning continuously, and taking on challenges that push me to grow.

What excites me most is working on projects that make a real difference in people's lives. I'm always looking for opportunities where I can contribute, learn, and showcase my skills while leaving a positive impact on the world.

Experience

HNDL Fleet Management

Mobile Developer

July 2025 - August 2025 (2 months)

Alexandria, Egypt

- Contributed to feature development, UX enhancements, and product logic using Bubble.io, gaining hands-on experience in no-code development and user experience design.
- Participated in daily standups and delivered demos of completed modules to track progress and share updates.
- Utilized ClickUp to manage tasks, monitor progress, and provide feedback through comments.

All for One Egypt

Back End Developer

August 2024 - August 2024 (1 month)

Alexandria, Alexandria, Egypt

Fundamentals of Web Development

Basic HTML, CSS, JavaScript, and jQuery

Integrating Bootstrap Responsive Design to HTML

Design and Realization of a Data Model using Hibernate & JDBC & MySQL

Building Light Backend Application based on Java Servlets & JSPS

Vision Plus

Software Engineer

June 2022 - June 2023 (1 year 1 month)

Alexandria, Egypt

Specialized in web development with knowledge in HTML, CSS.

In my current role as a Web Developer at Vision Plus, I am actively involved in designing and implementing responsive web applications.
